

How to find Beech House

'Beech House' (red circle on map)
Church Rd

Tel: 01539535760

Drive through Grange – straight on at the mini roundabout at the top of Main Street (Clock Tower on right). This will lead you out of Grange and the next village is Allithwaite.

After entering Allithwaite you will see a pub on your left (tight corner) called the 'The Yakkers' – turn R opposite pub (Church Road).

Continue up the road past the P.O on your R and a children's playground on your L. I live a little further up from the playground on the R hand side. Park where you can!

The house after us is a B&B. Directly across the road is the entrance to the Primary School. Beech House is written on the wall to the left of the wooden gate. Beech House is the last of 4 terraced houses.
